

You've Been BOOzed!

Ghosts and Goblins have been to your door bringing Halloween spirits and nothing more.

It's a fun way to spread Halloween cheer. Pass them along, there's nothing to fear!

Hang the We've been Boozed sign on your front door, make some copies and pass along to two more.

Secretly deliver to your friends or neighbors. They're sure to love their Halloween favors.

Drink up and watch the good cheer spread, before all the Booze goes to your head.
